WHY ORGANIZERS CHOOSE US

- Rapid-response posture built for event footprints — not clinic or transport workflows.
- Self-contained crews arrive ready: no venue power, shelter, or supply dependency.
- Documentation and 911 handoff protocols that satisfy venue and insurer requirements.

CORE SERVICES & CAPABILITIES

- Event First Aid Tents & Stations — 10x10 high-visibility pop-ups, folding cots, cooling gear, and professional BLS trauma kits.
- Athletic & Endurance Coverage — heat-illness mitigation, hydration protocols, foot-patrol responders, and musculoskeletal stabilization.
- Mobile UTV & Roving Response Teams — rapid crowd navigation for large-footprint festivals, park grounds, and outdoor expos.
- Industrial Job-Site & Corporate Safety — temporary first aid setups, safety monitoring, and OSHA-aligned event risk mitigation.

KEY EQUIPMENT & ASSETS

- 10x10 first aid stations: high-visibility pop-ups, cots, shade and cooling gear.
- BLS trauma kits, AEDs, oxygen, splinting, and spinal motion restriction equipment.
- Hydration and heat-triage supplies for endurance and summer events.
- Mobile UTV response units, portable power, lighting, and event-command radio integration.

TARGET EVENTS
